## PROJECTS

### POOLTOGETHER | CONTRIBUTOR

July 2021 - Present | Remote

- PoolTogether is a Defi Crypto Protocol.
- Helped growing the protocol by improving the discord server and creating content.
- Translated the Website for Hindi Users.
- Learned to make smart contracts and python bots during my time here.

### NAB INDIA | FULL STACK WEBSITE FOR AN NGO

Dec 2022 - Jan 2023 | Mumbai, IN

- Worked on creating a fully functional website for the NGO, NAB India. Learned things like integrating payment gateways and sending automated tax benefit emails using pHP and Javascript.
- Created creative image and text content for the website.

### FLIP N RUN | MOBILE GAME

April 2020 - May 2020 | Remote

- Designed a mobile game using Unity Game Engine.
- Made Player Movements using C#.
- Published the Game on the Google Play Store

### FREELANCE PROJECTS | MULTIPLE WEBSITES & APPS

Jan 2019 - Present | Remote

- Been working as a freelancer for the past 5 years.
- Made multiple websites and mobile apps for small businesses.
- Made personalised discord and telegram bots using python and javascript.
- Communicated with the clients personally and delivered satisfying results to them.

## ACHIEVEMENTS

### HACK E LTH | 1ST RANK

Sept 2022 - Sept 2022 | SRM University, TN

Engaged in an exhilarating coding competition organised exclusively for SRM students, achieving the first position using c++.

### GITHUB COMMUNITY HACKATHON | 1ST PRIZE

Sept 2023 - Sept 2023 | SRM IST, TN

Made an AI virtual fitness and health assistant "trAlner". Used ML, Generative AI and trained datasets to complete this project.

### GE HACKATHON | PARTICIPATED

July 2022 - October 2022 | SRM University, TN

Worked with General Electronics Team to create a website powered by AMP, (Google open source project) a tool which helps accelerating the speed of a website especially on mobile phones.

### ETH FOR ALL | PARTICIPATED

Feb 2022 - March 2022 | Online

Coded my first smart contract and deployed it. Acquired proficiency in Rust and Ethereum programming during this hackathon.
